Dear Christopher:

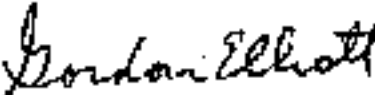

Please see the following amendment and the noted changes below.

There are two new contribution entries that were made by credit card. The entries are now entered on the date we received the authorization to run the credit card and not the dates that the contribution went through. This was done according to the advice by a FEC specialist.

An in-kind contribution was sent to us on July 13, 2000 from the Elect - The PAC of the Alabama Farmers Fed for services provided on June 26, 2000. Also an in-kind contribution from Food Marketing Institute PAC was entered incorrectly on the original report. This has been corrected.

Other additions to this amendment are updated addresses, employer/occupation information and the PAC names listed as they are filed with the FEC.

Sincerely,

  
Gordon Elliott, CPA
